

The Alpha Course

Alpha for English Speakers of Other Languages

Have you ever wondered:
Is there more to life than this?

Would you like to ask and discuss questions of life and faith in a safe and relaxed environment? Would you like an opportunity to learn about the Christian faith?

Alpha in English for speakers of other languages (ESOL) is a great format for conversation designed specifically for those whose primary language is not English. We allow for frequent discussion times and invite you to consider each topic or idea individually, at a pace that is comfortable for you.

People of all traditions, cultures and world views are welcome. It's a safe place to ask anything. No question is off limits or too hostile.

Topics include: "Who is Jesus?", "Why and How Should I Pray?" and "How Can I Be Sure of My Faith?"

There is no charge to attend the group. Please join us for dinner and conversation.
